ALICE WELLING *Opening Act*

Alice Welling, one of Alaska's favorite entertainers! Alice has been performing in Alaska live on stage, radio and television for more than 25 years and performed at the infamous Fly by Night club for more than 15 years.

David Granirer is a counselor, stand-up comic, author and creator of *Stand Up For Mental Health*. He performs and teaches comedy about mental illness as a way of building confidence and fighting public stigma, prejudice, and discrimination.

"People loved the way you (Granirer) found the humor in your mental health experiences and had us all laughing non-stop.

Your work is funny and inspiring and a great way to educate the public about mental illness. Who would have thought a presentation on such a serious topic could be so much fun?" —*Donna Rheaume, Director of Communications and Public Affairs, Vinfen, Boston, MA*
