Resident Health-Related Services

AS 47.33.230(c)

If the assisted living home provides or arranges for the provision of health-related services to a resident, the home shall ensure that a (1) **registered nurse** licensed under AS 08.68 reviews the portion of an assisted living plan that describes how the resident's need for health-related services will be met.

List the health-related service needs identified in the assisted living plan and explain how the resident's needs will be met:
