

Welcome to Alaska's Medicare Information Office

You too can be part of the

CREW

We provide these services to Alaska's Medicare beneficiaries, their families, and providers.

CREW members assist:

- **One-on-one personalized Medicare counseling**
- **Medicare education and outreach**
- **Advice on prescription savings**
- **Information on preventing Medicare fraud and waste**

Our Anchorage-based office has counselors statewide to help people better understand and use their Medicare benefits. The counselors speak English, Tagalog, Korean and Spanish.

Call the Medicare Helpline any time.
If we're not in, we'll call you back.

In Anchorage: 269-3680

Toll-free statewide: 1-800-478-6065

Counselor—after attending a Medicare 101 training, you can begin to assist individuals with their Medicare questions. You will have lots of support to be sure you're giving accurate information.

Receptionist, Recruiter, Reporter—pick up voicemail messages, recruit people to volunteer, write articles for the paper.

Educator, Exhibit our display at health and agency fairs, be a seminar leader or support person.

Work at our office or in your home on specific office tasks such as data entry, mailings to Senior Centers, and phone calls.

Medicare Information Office
